Prayer to Our Lady

from Bishop Manuel Gonzalez Garcia of Malaga, Spain

Mother Immaculate, let me not be tired! My Mother, only one petition! Let me not be tired! Even when discouraged for the little fruit of my efforts, or for the ingratitude that assaults me, even when weakened by my miseries, or when persecuted by the fury and calumnies of my enemies, even when in need of money and of human help, even when my works collapse and I have to start again ... My Dear Mother, let me not be tired.

Let me be firm, decided, courageous, always smiling, with the eyes of my face fixed in my neighbor to help him, and with the eyes of my soul fixed in the Heart of Jesus Who is in the tabernacle. I will take my post, the one assigned to me by God. I will not retreat, I will not utter useless cries, I will not shun the battle... Let me always have a drop of blood to shed, some coins to give away, some energy to spend, a word to say, my compassion to offer, a bit of strength in my hands or in my feet, which could be used to give glory to Thy Son and to do some good to my neighbor. Mother, my Dear Mother, let me die rather than be tired.
